Who doesn't love a girls' weekend once in a while? If you're due for a girls-only break with your besties – whether it's for beach lounging, city shopping or spa treatments – here are some not-to-be-missed places to book today.

### **The Layar**

**Best for...a stylish villa vacay**

A stylish sanctuary in Bali's vibrant Seminyak area, The Layar is a lovely space to reconnect and relax with the girls. Look forward to a memorable and fun-filled trip, with days spent lounging by your private pool, hitting the shops and exploring Seminyak's famous beach clubs. The property's fully staffed designer villas, which have been enjoyed in the past by the likes of Paris Hilton, are available in various configurations, from one to four bedrooms. Each comes with charming touches such as poolside *bales*, outdoor bathtubs, sloping roofs and open-air pavilions, and is surrounded by lush tropical gardens.

What's a holiday without indulging in a massage or two? The Layar offers a personalised spa experience (scrubs, body wraps, you name it!) in the privacy of your own villa. You can also arrange to try other wellness treatments and activities including Watsu water therapy and yoga. And there's a specialty restaurant on site that serves gourmet food, including handmade pasta prepared from scratch each day.
