#### THE LAYAR'S STYLISH VILLAS STAND OUT IN CHIC SEMINYAK

For a flawless fusion of inspired architecture and idyllic tropical living, The Layar is in a class of its own. This resort enclave in the heart of Bali's trendy Seminyak area comprises 25 villas, each set in its own very private garden sanctuary that gives a sense of openness and space that's rare in this most popular of Bali's resort areas.

The Layar – meaning ‘veil’ in the Indonesian language – is named to tribute to the villas' distinctive roofs that taper dramatically to the ground like the rigging of a traditional sail boat. Interior design touches include hardwoods, marble, and stone sourced from the Indonesian archipelago.

Part of the elite Havens group of luxury villas, The Layar offers a choice of one, two, three- and four-bedroom villas, each with its own distinctive design. Light, spacious and open-plan for easy entertaining, living areas flow smoothly out to the swimming pool and seasonal deck and on into the garden.

The Layar enjoys a superb location in Seminyak, too, so if you can tear yourself away from the idyllic setting, South Bali's best restaurants, bars, and boutiques are all nearby.

Guests booking 14 or more days from check-in enjoy an Early Bird discount of up to 10%, while long stay guests – seven or more nights – will receive up to a 15% discount, as well.
